Dual Purpose Interceptor Sewers Will Cut Costs For City

Interceptor sewers provide a key to solving Granite City's double problem of pollution abatement and drainage relief, and the interceptors themselves will provide a dual service to the city.

Costing an estimated \$140,000, the interceptor lines along with the new drainage sewer system now being proposed by the city will cut sewage treatment plant construction costs by \$1,700,000 and will shave \$70,000 a year off the operating costs of the plant. 4 Bids For New GC Post Office

Contract Award May Be Made In 60 Days; \$32,540 Low Bid Figure

With four bids opened Friday afternoon, award of contracts for construction of the new Granite City Post Office building is expected to be made within 60 days, according to a Post Office Department official.

Harold W. Loch, department real estate officer at Peoria, said additional bids could be received as all bearing posted before midnight last Thursday will be accepted.

Loch emphasized that the bids received have not been analyzed as to content and responsiveness to bid specifications. "All bids must be analyzed and fully received," he said, "and then will be forwarded to the department's regional office."

He said notification to contractors of bid acceptance will be made from Washington, D.C.

\$32,540 Low Bid Lowest of bids opened Friday was submitted by Central Investment Co. of Tulsa, Okla., with a base bid for a 20-year lease of a base of \$32,540 annually.

Other bidders were Joe Shik, Columbus, O., \$38,576 annually; Parkhill Investment Co., St. Louis, \$33,500 annually, and Julius Greenberg, St. Louis, \$36,000 annually.

Loch pointed out that each bid also included details on options and other factors required by the Post Office Department.

Bids on the 15,500 square foot building opened Friday were received under a re-advertisement, after all those received on an earlier bid were rejected as a technicality.

Initial bids, opened last summer, ranged from \$31,995 a year to \$45,800.

The new building is to be located at 24th street and Madison avenue on the city-owned block. It will be purchased from the city's main fire station on the 23rd street end of the block.

2 Hours Coaxing To Get Soldier Off 50-Foot Tower

For nearly two hours, a Granite City Engineer Depot private dangled and swung from a 50-foot steel high tension tower at 17th street and Madison avenue early Saturday morning, threatening to jump or grab the 35,000-volt power lines.

The soldier, 23-year-old Frank R. DePew from Hillsboro, Mo., despondent because a girl had refused to marry him, climbed the tower about 1:45 a.m. It was about 3:20 a.m. before he had been coaxed down by the girl, a priest, half a dozen policemen, military police and top brass from the depot.

Crowd of 500 Watches Ailsa attended during the hour and a half after nearly 300 persons to the scene. He went up and down the steel framework of the tower several times, but never below 15 feet. And several times he grabbed the crossarms and swung back and forth within inches of the 35,000 volt lines.

The girl, a carhop, and a priest, Rev. Louis Mauceri of St. Joseph's Church, were summoned by police. Several times Pvt. DePew threatened to jump from the tower several times, but each time he changed his mind.

Ready To Throw Switch An Illinois Power Co. service man was on duty at the power substation at 17th street and Grand avenue, where he had been waiting for the Granite City would have been without lights. An ambulance attendant on the scene, but out of sight.

Finally, DePew descended to about 15 feet from the ground, where he was coaxed down by the priest and the girl, who was crying. No agreement was reached, but then he called for two close friends from the depot.

They arrived about 3 a.m. One of them climbed to talk quietly to DePew. Finally, DePew promised to get down if they brought their car to the foot of the tower and the girl got inside.

DePew set foot on the ground. His two friends and police hurried him inside the car and they drove away. DePew was kept until 8:30 a.m. when he was turned over to military authorities.

The girl, Carol Fensterman, 18, of 2035 Delmar avenue, refused to talk to police. She was taken home by police.

Water Rate Hike Objects Question Company's Figures

(Special from Springfield) At the conclusion of the 12th hearing before the Illinois Commerce Commission here Friday on the application of the East St. Louis & Interurban Water Company request for approval of a water rate increase, Randall Robertson, Granite City attorney for the Large Water Users group issued a statement setting forth their contentions in opposition to the increase.

If approved, it would amount to \$1,485,000 annually, an overall increase of 23.7% over the present rate paid by water users in the high and low level areas covered by the system.

Robertson's statement follows: "The evidence in this case affords no basis for the company's major witnesses, convinces the objectors there is no reasonable basis for a rate increase."

Our chief point of contention is that the company's reduction cost study presented by the company which seeks to establish an investment by the company of approximately \$52,000,000 on which the company seeks a return which will be paid by the water users.

Objects To Company Figures The objectors in this case are the Large Water Users group because the company has not actually invested that amount of money. It has invested only \$22,000,000. The utility costs \$22,000,000 is what the properties would be worth if they were to be reproduced now at this time.

We recognize the right of a utility to a reasonable return on investment. But we contend the investment should not be inflated by the estimated cost of buildings and placing in operation the company's present water system.

It is also our position that the return the company should be allowed on a fairly established basis should take into consideration that the utility has a monopoly on the sale of water in the city of East St. Louis, Ill., and in the city of St. Louis, Mo.

It does not turn the risk of competition. Therefore, that return should not be as great as that which a private business is entitled to.

Mr. C. H. Clench of the City of East St. Louis, Ill., who is managing the commission to assist its staff in the determination of the case, announced that with the cooperation of the company, water lines will be opened at eight locations in the system for the (Continued on Page 3, Col. 2)

Churovich Says Original Demo Club Was Inactive

The original Madison County Young Democratic club was replaced in issuance of the state charter because it was inactive, Daniel Churovich, 2832 Edwards street, president of a new club with the same name, charged today.

He said the new club held a barbecue attended by 150 persons yesterday on the adjoining lawn of Robert Gibson, 2832 Nankook road, and James DeMontville, 2843 Myrtle avenue. Guests included State Representative Paul Simon and Lloyd C. Harris and Street Supt. William Warfield.

There is only one County Young Democratic club and it is the one with the charter, Churovich contended. "Dan Alexander said his group will remain active, but before it could remain active it must be active. The chartered club has had more meetings and activities in three months than the old group had in three years. It was because of this inactivity that the club was reorganized."

"Many of our members were members of the old club, and we were not notified of meetings especially when officers were to be elected. We were not notified of the meeting at which Alexander was elected president. He criticizes us for being ambitious and says we are newcomers to the Democratic activities. This is true, because before the club was reorganized there were no activities. We are not newcomers to the club."

"I do not know of anyone in our club who is too old for membership, and I am proud that we have converted a Republican to a Democrat. Perhaps this is a by-product of activity; it would be well for Alexander and his group to take note of this."

Marvin Boyer was re-elected warden, Oscar A. Reinhardt was re-elected treasurer, and Milton Worthen was named as successor to Alexander as advocate. Named to succeed James Ogilvie as recording secretary was Charles Parkinson Jr., while Harry Fickel was named as alternate to guard. Albert Sanders was re-elected alternate guard.

Andrew Bridick was named to a three-year period as secretary. Brican was selected as delegate to the state convention and Reinhardt was named alternate to the grand knight. Selected as alternate to the delegate was Edward Horton.

purpose of taking cut samples of pipe to be examined for deterioration by the commission's engineers on July 11 and 12.

The eight locations were selected from 125 locations from which the company made checks in 1961. At that time, the cuttings were thrown back into the excavations after being checked and covered with dirt.

The objectors' attorneys protested this action and the commission agreed that new spot checks should be made.

Friday's hearing was devoted to the further cross-examination of Charles G. Schneider, senior consultant engineer for the company by Robertson.

Depreciation Questioned Schneider was questioned as to how he arrived at depreciation cost figures on the company's structures, right of way and easements, sewers and drains, pump units, filters, hydrants and administrative expenses in setting up a hypothetical reproduction plan as part of computing reproduction costs.

In redesigning the plant and a system, theoretically Schneider said he gave no consideration to the various makes of filters in use now in arriving at their depreciation.

At Feb. 28, 1961, he said the total filter capacity of the operation amounted to 68 million gallons of water a day. On July 31, 1961, after a new type of filter was used the filter capacity increased to 69 million gallons a day.

Further hearings have been set by commission examiner Martin J. Dolan for July 16 and 17 and also July 23.

Gas Rate Request Estimated At 67¢ To \$3.68 A Year

(Continued from Page 1)

A natural gas rate increase sought by Mississippi River Fuel Corp. Friday, if approved, would result in a yearly hike averaging 67 cents here for those using gas to cook and heat water. Quad-Cityans with gas furnaces as well as cooking stoves and water heaters would face a total yearly increase averaging \$3.68.

The preliminary estimates were given today by Illinois Power Co., which will pay \$850,144 more a year to its supplier if the rate application is granted in full by the Federal Power Commission.

An annual rate increase totaling \$2,982,880 for the public utilities it serves was sought by the Mississippi River Fuel Corp. in anticipation of a \$1,759,777 increase in its own gas costs in Louisiana, based on an application filed by United Gas Pipe Line Co.

Neither raise could become effective before Jan. 1, 1963. The difference in the requests resulted from added costs encountered since the last rate hike.

Glen W. Clark, Mississippi River Fuel president, said.

Council Expected To Consider Sewer Repair, Fire Truck

Bids for sewer replacement along Aubrey and St. Clair avenues and for a new 1000-gallon-per-minute fire pumper are scheduled for presentation to Granite City council members at this evening's 8 o'clock meeting.

The council has four bids ranging from \$159,000 to \$197,000 to consider for the Nanecki area sanitary sewer replacement project, and a combination of bids for the new fire pumper.

The city is hopeful the East Side Levee & Sanitary District board of trustees will give financial assistance for the sewer project, since the breaks occurred along 15-inch trunk lines built under the levee district's portion of the sanitary sewer construction project.

The levee board, nearly two months ago, indicated it would allot \$100,000 for the project provided the city handled the engineering and award of contracts. However, the board members voted to study the matter further and referred the city's request to its engineering committee. A report is expected at Thursday's meeting of the levee board.

Bids for the sewer replacement to be presented to the council this evening are—\$159,251 by G. H. Sternberg Co., \$159,912 by Keeley Construction Co., and \$197,028 by General Contracting Co. Another bid in the amount of \$99,672, submitted by Nelson Construction Co., was withdrawn when it was noted at the bid opening last Monday that there had been an omission.

Purchase of a new fire pumper is to be included in the city's new budget, yet to be adopted. Bids for complete trucks were submitted by Central Fire Truck Co., St. Louis, \$23,508, and American Fire Apparatus Co., Battle Creek, Mich., \$23,800, both on Ford chassis. All bids were referred to the Fire and Water Committee last Monday night.

Towers Fire Apparatus Co., Freeburg, submitted a bid of \$15,015 to build a truck to city specifications on a chassis to be furnished by the city; and bids for 153-inch wheelbase chassis were submitted by Brewer Motor Co., \$7119, and B. E. Hohl, Inc., \$7181.

Snake Seen On Delmar May Be A Copperhead

A large snake, believed to be a copperhead, was seen several times on the property of William F. Moss, of 2510 Delmar Thursday. The matter was reported to Granite City police and Humane Officer Scott Craycraft investigated.

The snake was seen by Robert Jackson, 15, of 2400 Cleveland, and Christine Borchelt, 16, of Nashville, Ill., a sister of Mrs. Moss.

Jackson, a Boy Scout, identified the snake as a copperhead, according to Mrs. Moss. Copperheads are highly venomous and are considered dangerous, though the bite is rarely fatal.

Mrs. Moss said the former occupants of the house left a quantity of old wood on the premises and this may have attracted rats and mice as well as giving shelter to the snake.

The humane officer put poison out to kill any such rodents and the wood has been removed and will be burned.

UF Committee Discusses Agency Budget Requests

Members of the Tri-Cities United Fund admission and distribution committee met for over two hours Thursday evening to discuss the proposed budgets of \$290,250 presented by 15 agencies sharing in United Fund contributions.

Chairman Harold R. Fischer and 16 other committee members had heard representatives of the groups explain their budgets at afternoon and evening sessions Wednesday and Thursday. The next major step toward the October United Fund drive is a meeting with the UF board of directors at which expenses of the drive will be estimated and a goal set. Before this can occur, the agencies must be informed of the committee's tentative decisions and possible appeals must be heard.

Meeting Postponed
The Tri-Cities Chamber of Commerce board of directors meeting has been postponed to 6 p.m. Tuesday, July 10, at the Rose Bowl restaurant. The group ordinarily meets on the first Tuesday of the month.

Meyer-Langreder Nuptials Saturday In Wood River

An out-of-town wedding of interest taking place Saturday morning at St. Bernard's Catholic Church in Wood River, was that of Miss Nora Lee Langreder, a daughter of Mr. and Mrs. Raymond T. Langreder, 314 Central avenue, Roxana, and Samuel Gordon Meyer, son of Mr. and Mrs. Samuel Lee Meyer, 2832 Yale drive.

Robert Garin of Granite City served Mr. Meyer as best man and groomsmen were James Walker, of Rosewood Heights, a cousin of the bride, and Jerry Wallis of Monroe, Mich. Donald Halbert, Thomas Stewart, David Kirschner and Michael Mullens, all of Granite City, made up the corps of ushers.

The bride's mother wore a dress of beige chiffon made with a bodice of white lace over beige. A small pillbox hat and accessories of beige completed her costume. Mrs. Meyer was in a yellow linen sheath topped with a brown lace jacket, a beige hat accented with small bows and beige accessories. Both wore coronas of yellow tea roses.

Wearing a gown of silk organza with a fitted bodice, short sleeves and a sheath skirt, the bride was escorted by her father who gave her in marriage. The bride's sleeves and skirt of the dress were accented with embroidered silk organza and a flat bow of the fabric adorned the detachable rounded chapel train of organza. An illusion butterfly veil was secured by a forward beaded cluster and the bride carried a bouquet of white spider mums and ivy in a cascade arrangement.

Mrs. John P. Hagan of Carbonate, the bride's cousin, was matron of honor, serving with two bridesmaids, Miss Laura Langreder, a sister of the bride, and Mrs. Joseph Junker of Philadelphia, the bridegroom's sister. The gowns of the attendants, made alike, were hyacinth silk organza sheaths with detachable overskirts, scoop necklines and crown sleeves. The waistlines featured small flat bows of self material and all three wore matching pillbox hats finished with circular maline veils. Their bouquets were cascades of yellow spider mums.

Mrs. Todoroff To Head Unit Of Homemakers

The annual election of officers was held Thursday evening in the home of Mrs. Myrtle Hickman, 45 Terrace lane, for the Isabel Bevier unit of the Madison County Homemakers Extension Association. Mrs. Margaret Todoroff is the new chairman.

Mrs. Irene Dawes, unit chairman, conducted the business meeting and announced that the members will work July 28 in the MCHEA kitchen at the county fair in Highland. Those working will be Mrs. Angie Brown, Mrs. Hickman, Mrs. Dawes, Mrs. Lillian Ruebhausen, Mrs. Maxine Hacke, Mrs. Todoroff, Mrs. Helen Cuvor and Mrs. June Hubert.

A discussion was held on the newly formed 4-H group under the leadership of Mrs. Kathleen Tadlock, and the unit decided to sponsor it. The group will hold an "achievement night" July 16 at 7:30 at St. John United Church of Christ, and the unit was invited to attend.

The chairman of the nominating committee, Mrs. Hickman, presented the names of the new officers for the coming year. Mrs. Todoroff was named chairman, Mrs. Hacke first vice-chairman and Mrs. Bernice Freidmang secretary.

Mrs. Loraine Joshi will remain in office for another year as second-vice-chairman, and Mrs. Doris Wilson will continue as treasurer.

Mrs. Dawes led a discussion on attending the opera, but no date was set. The unit also discussed attending a liquid em-broidery demonstration which will be held this fall.

The Sand Prairie 4-H club was represented by Miss Marcia Barnett, Miss Donna Staydubar and the leader, Mrs. Letta Staydubar. Miss Barnett gave a demonstration on making oatmeal cookies and Miss Staydubar on refinishing wood floors. Miss Staydubar's demonstration is part of a five-year room-improvement project of 4-H work. Mrs. Cuvor spoke on a "craft day" she had attended in Edwardsville earlier this year, and showed samples of styrofoam table and wall decorations she had made.

She said the decorations can be made at any time of a holiday and may be wrapped and stored for later use; and unique arrangements can be made by using imagination, and everyday household items.

The evening's major lesson on "Force, Shame and Self Control" was given by Mrs. Bonita Lemm, and the minor lesson on "Drying Flowers" was by Mrs. Lillian Ruebhausen, who displayed several samples of dried flowers.

The next meeting will be held at the home of Mrs. Lillian Huwitt, 2155 Watman ave. next, with Mrs. Brown and Mrs. Hickman as co-hostesses.

There was one guest, Mrs. Susan Sykes, at the meeting and the others attending included: Mrs. Margaret Pittel, Mrs. Edna Barnhart, Mrs. Ted Walter, Mrs. Joshi, Mrs. Hubert, Mrs. Mary Chesney, Mrs. Wilson, Mrs. Hazel Atchison and Mary Margaret and Linda Todoroff.

Park, Spengler Beaten in Softball Tourney 1st Round

Blue Circle, Alt-Wood, Merchants, Hearts And Mercer Triumph, But Mark Time In I-C

A new champion will be crowned Wednesday night at the conclusion of the 14th annual Granite City park district-sponsored Class AA softball tournament.

Defending champion Granite City bowed out last night to the Alt-Wood Merchants, who rallied—with considerable help from the losers—with three runs in the final inning for a 3-2 victory.

The Merchants will meet Blue Circle Lounge of St. Louis, 4-1 winners over 8th Inning Lounge in last night's second contest, at 9 o'clock tonight at Wilson Park.

In a 7:30 championship semi-final contest tonight, Seco of St. Louis is scheduled against the Alt-Wood Merchants. Seco defeated Spengler Insurance 8-2 Saturday night in the tournament.

Wayne Simpson clinched the game in fitting fashion by passing a two-out solo home run off loser Bill Nelson in the ninth. Bob Garner weathered nine DeVillie hits to pick up the win.

The tournament's consolation bracket will be completed tomorrow night, with Spengler Insurance and the park club meeting at 6:30, 8th Inning playing DeVillie at 8, and the winners meeting at 9:30 for the consolation trophy.

A single game Wednesday at 7 p.m. will decide the tournament championship, and will match the winners of tonight's semi-final contests.

Individual trophies will be presented to members of the winning team, and a batting championship trophy and most valuable pitcher award also will be presented.

Lamb Fans 14
Lamb, who struck out 14 in the first six innings, including the side in the fourth after taking a 2-0 lead against eventual winning pitcher Bob Bryant in the fifth inning.

In that frame Bob Stegmeyer opened with a line single to center, the first really solid hit off Bryant. Park Pitcher Howie Lamb, bunting for a sacrifice, made the hunt such a good one that he beat it out for a hit with out a throw. Ron Dillard then sacrificed the runners to second and third, and both scored on Art Borchers' high-bouncing single up the middle.

Gumbo Toivo beat out a bouncer to deep short, and Lamb walked Don Carlton and Bob Lyons to load the bases. Lamb forced Pete Perica to hit high pop fly to short left, but the ball dropped between Shortstop Stegmeyer and Left Fielder Dillard for a tainted single and a run scored.

Sam Sadich then dropped a bunt down the first base line. Babe Champion charged hard and flipped to Catcher Jim Bain for the forceout of Carlton at the plate.

Bryant swung at one pitch, and was then lifted by Manager Gus Klinkin in favor of pinch hitter Gary Willis, who took one pitch and lined the next solidly to left, scoring Lyons and Perica with the tying and winning runs.

Blue Circle and 8th Inning battled through seven innings of the second Sunday game, deadlocked at 1-1, but Blue Circle scored three in the top of the eighth on singles by Vern Stout and Ed Galle, a sacrifice walk, wild pitch by loser Bill Krause and Galle's two-out ace, which drove in two runs. Bob Allen pitched four-hit softball to pick up the win.

On Saturday night, Seco battled through six innings and scored five runs and rallied to an 8-2 win over Spengler Insurance. Winning pitcher Charlie Allen drove in three of Seco's runs with a double in the second and a single in the big sixth inning.

The St. Louisans scored twice in the second, and Spengler came two back to tie the score in the fourth on Jack Scarborough's two-run homer. Lay Six, who gave up seven hits in the 6 1/2 innings he worked, was the loser.

'STAY UP' signals Bob Lyons (31) of the Alt-Wood Merchants to teammate Pete Perica as Perica scores deciding run against Granite City park district club last night in first round game of 14th annual softball tournament here. Lyons and Perica both counted on pinch single by Gary Willis as Merchants downed town's defending champion, 3-2. Dejected park district catcher is Jim Bain.

Top 4 Teams Score Tavern League Wins

First-division clubs, led by Polish Hall, scored wins yesterday morning in the Tavern Softball league and, as a result, there were no changes in the standings this week.

First-place Polish Hall parlayed its record to 9-1 with a 15-2 decision over Green Hall. As a result, Bob Crider and two hits each by Ted Sabo and Don Tarnowski were not enough to keep Green Hall. Stan Serwint, who pitched for the pitching victory, with Frank and Rich Mendez each pitched three hits for Polish Hall. Jim McMurry was the loser.

Second-place George turned in the blank job of the winners, who got a home run each from Don Oshia, Don like Bauer each drove in two runs for the winners. Bob Smith was the loser. Richard Part had two hits and Don May needed for a triple to pick up the win.

Bowland and Jug's Hilde remained tied for third place. George edged past the Blues 9-7, and whacked Junction Tavern 10-6. Ligon and Nicky's bowling homered for Bowler back up winning pitcher Jay Hoffman. John Harrison had three hits for the winners. Black had a homer, double, and single for the Blues, whose third baseman, John Crnkovich homered, and Holis and Everett Porter each collected four hits and Clint Harrison added three for the Blues. Howard Thebaud picked up a victory for Junction Tavern. Howard Jordan was the loser.

Madison Baptists Score Fourth Win In Church League

Madison Baptist rolled to its fourth win in its many Friday night, protecting its lead in the Church Slow Pitch softball league at Wilson Park with a 7-1 decision over Niedringhaus Methodist.

Lindell Martin was the winning pitcher and Lee Reider the loser. The Baptists scored three runs in both the first and third innings to decide the contest early. Niedringhaus' only tally came in the fifth. Bill Page tripled for Madison, with Ed Page and Ron Smoltz collecting doubles for the winners.

Community Heats likewise did its scoring early to defeat Good Shepherd in the evening's first game, 7-3. The winners scored five runs in the first and two in the second. Dale Maxwell paced Community Heights with a game of triples. Terry Cassidy had a double for Good Shepherd. Jim Parr was the winner, James Sherman the loser.

Bethel Community also enjoyed its first Friday night win over Cedar View Baptist. Bethel scored six times in the first, and then added seven in the third as it outlasted Cedar View 18-8.

Frank Holst and Bob Suss tripled for the winners and Al Gobble hit one for Cedar View. Winning pitcher Jim Fox had a two-base hit. Jesse Ford was the losing pitcher.

Local Clubs Meet Here Wednesday; Hold Second Upts

A two-week layoff has not caused Granite City clubs in the Inter-City Baseball league to go sour. Both Sacred Heart and Mercer Funeral Home knocked down opponents yesterday in warmups for their traditional Independence Day bottle here Wednesday afternoon, but neither could gain any ground on the front-runners in their divisions.

The Hearts handed Roxana its 10th straight setback on the losers' diamond Sunday, 9-2, behind the near-perfect hurling of lefthander Dave Steplitis, while Mercer was edging past pesky Maryville at Wilson Park, 3-2.

The victories helped both clubs move firmly to entrench themselves in the Red and Blue divisions, but leaders Moose Lodge and McAters' Glass of East St. Louis also were strong.

Moose (9-1) edged Carpenter 4-3 in 13 innings, thanks to Larry McCaskey's home run; and McAters was an 8-5 winner against the Red Sox, but got the extra men's eighth triumph in nine games.

The Hearts scored twice in the second, and then put the game out of reach in the third on a single by Bob Price, Jim Bell's triple and a home run by Schuler.

Three more Hearts crossed the plate against starter and loser Paul Klockenkemper in the fourth, and the ninth Heart tally came in the ninth.

Sacred Heart totaled 11 hits, including a double and triple by Belter and three hits by Price, one of which was for two bases.

Timely Hitting
Mercer had more trouble with the Red Sox, but got the extra base blow when it was needed, a two-out double in the first

I-C All-Stars Include Nine Local Players

Two 20-man squads have been named by the Southwestern Inter-City Baseball league as opposing teams for the annual I-C all-star contest to be played at Joplin Park in East St. Louis Sunday, July 15.

The selections, made Friday night during a league meeting in Granite City, include four players from Sacred Heart and five representatives of Mercer Funeral Home.

Opposing Managers
Jim Crouch of Collinsville was named manager of the Red division stars for the contest, with Gen. Guiliard of Moose Lodge and Jim Thomas of Maryville selected as his coaching staff. Ollie Holtmeyer of McAters' Glass will pilot the Blue division selections, assisted by Ollie Miller of Mercer and Gerald Hopkins of Roxana.

The Red division all-star roster includes Dan Reilly, Bob Price, John Rains and Mike Sues of Sacred Heart; Ed Blake, John Bussard, Larry McCaskey and Don Bruce of Moose Lodge; Don Heffery, Jack Parker, Harold Seebold and Jim Bradley of Collinsville; Gary Hearne, Rich Sauer, Bill Johnson and Jerry Dill of Maryville; John Crnkovich, Dave Carnaghi, Eddie Hopkins and George Teasdale of McAters; and Harry Manley, Lennie Griffith, Jim Kuhn and Mike McKinney of Pocahontas.

Marshall, Logan And Wilson School Wins
Marshall and Logan playground softball teams scored wins in both the Midget and Junior divisions Thursday, while the Wilson playground took a Junior contest from Nameoki, 3-1.

Logan's victories came over McKinley school in the Midget group, 6-0; and against McKinley's Juniors, 11-5. Marshall school was a 13-3 winner over Niedringhaus in the Midget contest, and defeated the same playground team 11-0 in the Junior division.

The same inter-playground games are played as a part of the Granite City park district's summer recreation program.

Spengler In First Place Again After 10-3 Victory

Spengler Insurance used the six-hit pitching of Leo Six and a bundle of Granite City Steel Credit Union errors to climb back into first place in the Classic Softball league last Thursday night at Wilson Park.

The Insurance broke open a close battle with six runs on only one hit, combined with six Credit Union bobbles, in the sixth inning and won eventually by 10-3 score.

Busy Bee Trucking finally found the winning combination in the night's first game, stopping the Granites, who were held to six singles by winner Steve Schardan. The score was 7-4.

Spengler scored three runs in the first, and led 4-1 entering the bottom of the sixth, when the Credit Union defense collapsed.

Bill Crabtree had a triple and double and Don Crabtree a double for the winners, who moved half a game ahead of idle Rome & Roy's.

Six gave up six hits, and loser Jack James was touched for seven.

Bill Baldwin drove in two runs for Busy Bee in the first frame with a double and the winners scored three more in the fourth against losing pitcher Kenny Mitchell. Mitchell gave up eight hits, walked six and was charged with five wild pitches.

Busy Bee backed Schardan's six-hitter with perfect defense. Schardan also contributed a double to the winners' hit total.

CHARTER PRESENTATION — The executive board of the Cahokia Mound council receiving its new charter for the year beginning July 1, from the National Council, Boy Scouts of America, Henry D. Karandjeff, National Council representative, (second from left) makes the presentation. Others are (left to right) Eugene Coe, Scout executive, G. H. Sternberg, council president, and David McIlroy, Explorer Scout.

Cahokia Mound Council Presented New Charter

The executive board of the Cahokia Mound Council has received from the National Council, Boy Scouts of America, its new charter for the year beginning July 1.

Henry D. Karandjeff presented the charter at the June meeting of the executive board in behalf of the National Council. He is a member of the National Council and the executive board of the Cahokia Mound Council. He is chairman of the board of the Granite City Trust & Savings Bank, and the American National Bank. He has been active in scouting for many years having been a successful scoutmaster, board member and past president of the council.

He is the holder of the Silver Beaver given to him in recognition of his outstanding service to boys. He is the president of the YMCA and was recently appointed to the International YMCA board.

In presenting the charter, Karandjeff said that this event will spotlight the many community forces that are using scouting as one of their programs for boys.

It commemorates the federal charter granted unanimously by the 64th Congress of the United States and approved by Pres-

ident Wilson on June 15, 1916. Congress and President Wilson recognized scouting's development and felt its promise of usefulness to the future of the country warranted federal protection. It was the first charter ever granted by Congress to a youth movement. Since that time, 34,524,815 boys and adults have been members of the Boy Scouts of America.

The federal charter states "the purpose of this corporation shall be to promote, through organization and cooperation with other agencies, the ability of boys to do things for themselves and others, to train them in scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues, using the methods which are now in common use by Boy Scouts."

The Cahokia Mound Council was organized in 1920. Before that time several units were organized in various communities and were chartered directly from the National Council.

Over 90 institutions in the council now sponsor 163 packs, Boy Scout troops, and Explorer posts. Eight hundred and fifty-five new boys have been added to the council membership since Jan. 1, 1962, as a result of the Region Seven "Open the Door

for More" sponsored by Gov. Kerner.

In accepting the charter, G. H. Sternberg, council president, paid tribute to the many men who represent the institution that sponsor scout units, the cubmaster, scoutmaster, explorer advisor, den mother, and the various business, civic, educational, labor, and religious representatives who are members of the council.

"These men, he said, do much to help develop the scouting program in our council and provide the opportunity for boys to grow straight and tall, to take their place as tomorrow's leaders."

The council officers include president, G. H. Sternberg, Granite City; vice-president, Raymond Rodgers, Edwardsville; vice-president, Dr. M. W. Grimm, Collinsville; vice-president, John McBride, Granite City; treasurer, Henry Fechte, Granite City; commissioner, Rollin Horn, Granite City; and National Council representatives Henry Karandjeff, Granite City and Otto Klein, Collinsville. Eugene Coe is the scout executive, giving direction to professional scouts Clayton Breihan, Daniel Brown, Richard Elders and Charles Hudson.

Fireworks Are Illegal; Merchants Reminded

Many Madison county merchants have telephoned the sheriff's office to inquire as to the types of fireworks that can be sold.

According to Capt. Deputy Sheriff Joseph J. McMahon, the only type of fireworks permissible under state law is caps, of the type used in a gun pistol. He said all other types of fireworks, including torpedoes, sparklers and Roman candles are illegal in Illinois. Merchants should not sell them, and persons should not use them, or have them in their possession.

14 Judo Clubs To Join Forces In Association

The second step toward organization of a Greater St. Louis judo association was taken here Thursday night when representatives of 14 judo clubs met at the YMCA to elect officers and draw up a charter.

The clubs represent a combined membership of some 350 judokas, including 75 from the Granite City Judo club and 80 from a similar organization at Southern Illinois University, which the local club helped to found two years ago.

Location of the association headquarters will be Granite City. New officers will travel to Chicago early next month to present the association charter to the Chicago Yodan-sha-ka, seat of sport judo in the Midwest.

Robert Whelan of the GCJC, who was elected vice-president of the group, said charter approval is very likely, and that within one year the association is expected to be upgraded to a Yodan-sha-ka, itself, having jurisdiction over an area including portions of six states.

A Granite City Yodan-sha-ka would be only the ninth in the nation.

Standardize Teaching
Official acceptance of the area charter will make possible the standardization of teaching methods and further unify the 14 participating clubs, Whelan said.

Most are well acquainted with one another through competition. Twenty-one judokas with black belt ratings are included on the rosters of the 14 area clubs.

Set 2nd Phase Of 'Y' Summer Recreation Program

List 13 Activities; Registration Open Through Saturday

The local YMCA today began accepting reservations for the second phase of its varied summer recreation program for boys and girls, a process which will continue through Saturday.

Instruction and participation in 13 separate activities is scheduled to begin at the "Y" next Monday, July 9.

Various activities are open to boys and girls from the age of eight through high school. Summer YMCA memberships are still available, enabling the holders to participate in any or all events at a reduced cost.

Youngsters may register by telephoning the YMCA or by going to the "Y" in person during daytime hours this week.

Swimming, Archery, Crafts At the top of the list on planned and supervised activities is the YMCA's extensive swimming program, which offers recreational swims but concentrates on instruction and lessons for beginning swimmers through those qualified to be tested for Junior lifesaving badges.

Indoor activities during the second portion of the program will also include archery, badminton, volleyball, gym games and tumbling, arts and crafts, free movies, table tennis, trampolines, modern, square and ballet dancing classes, wrestling, weight training, fencing and judo instruction for boys and girls.

Repairs Planned For Boiler Pumps At GCMS
Replacement of stainless steel shafts in each of two feed-water pumps of the high-pressure Granite City high school furnace boilers is being considered by the school district, with a decision scheduled for the July 10 school board meeting.

The two-stage turbine pumps were made by Roy E. Roth Co. of Rock Island, and were installed with new boilers in 1954. No repairs were needed until 1960, when new seals costing \$90 were installed. Seals in one pump were replaced again in 1961 at a cost of \$45, and the seals must be replaced again this year in both pumps, school administrators believe.

It is believed that the worn shafts are contributing to rapid deterioration of the seals, and seal replacement might be necessary in mid-winter unless new shafts are installed. A preliminary cost estimate of \$500 to \$700 has been made, with the decision yet to be reached on whether to ship the pumps to the factory or seek repairs at the furnace room.

\$35 Levied On 2 Charges
Joseph Hibbler, 30, of 118 Slough road was assessed \$35 in fines and costs Friday in the Venice magistrate's court on June 23 charges of assault and peace disturbance.
